No Kings 3 Rally Set for Sat, March 28

WHO: Indivisible Comal County powered by Felicia's Action Network, (F.A.N.), Inc. and other area organizations committed to social justice, civil liberties, and constitutional freedoms

WHAT: No Kings 3 — New Braunfels' second mass rally and march opposing unconstitutional executive overreach, cruel ICE enforcement tactics, and the erosion of rights and freedoms for all Americans. The No Kings coalition represents a broad cross-section of Comal County communities, united by a shared commitment to democracy, dignity, and the rule of law.

WHEN: Saturday, March 28, 2026 | 10:00 AM – 12:00

WHERE: Ernest Eikel Field/JAWS Skate Park - 250 S Grape Ave, New Braunfels, TX 78130

WHY: Previous No Kings events have drawn between 1000 and 13000 participants — making them among the largest civic demonstrations in the city's history. Organizers expect No Kings 3 to surpass those numbers, driven by rapidly growing public opposition to unconstitutional ICE enforcement and an unprecedented concentration of executive power at the federal level.

No Kings 3 will bring together local area organizations working on immigrant rights, racial justice, reproductive freedom, LGBTQ+ equality, workers' rights, environmental justice, and democratic accountability. The coalition reflects the breadth and depth of a community that is showing up — together — to defend the values that define Comal County.

Background

No Kings NBTX is part of a growing statewide and national movement rooted in peaceful, nonviolent civic engagement. What began in 2025 as a single day of action has evolved into a sustained, people-powered response to federal overreach and threats to democratic norms.

In October 2025, more than 1,300 people gathered peacefully at San Antonio Street and Walnut Avenue in New Braunfels for No Kings 2, marking one of the largest civic demonstrations the city has seen in recent years and drawing regional media coverage. That gathering demonstrated what many already felt: civic engagement in Comal County is not fading. It is growing.

No Kings 3 NBTX continues that momentum. Organized by local volunteers and community leaders through Indivisible Comal County, the event reflects a broad coalition of residents committed to lawful, peaceful action and to protecting democratic institutions at every level of government.
